

COMPLEX PROBLEM SOLVING

INNOVATION

SUBJECT MATTER EXPERTISE

STRATEGIC PARTNER

Established in 2004, JRAD is an employee-focused organization providing developmental, operational and integrated test and evaluation (T&E) subject matter expertise to the Federal Government. Our technical professionals advise and assist U.S. Government military and civilian personnel in attaining innovative, cost-effective and low-risk solutions to solve complex problems and reach strategic goals.

- ✔ Employee focused organization results in high personnel retention rates – “we put people before profits”
- ✔ Cleared personnel
- ✔ 90% of our staff has earned a Bachelor's Degree or higher
- ✔ Lean Six Sigma Black Belt Professionals
- ✔ Project Management Professionals
- ✔ Expertise in all facets of T&E across Federal Agencies
